ArthurAI™ Personal Learning Edition PLE

INDIVIDUAL LEARNERS

A tutor who *shows his working*, on a course built around you.

ArthurAI PLE streams its reasoning as it works, cites the lesson behind every claim and builds practice from what you have actually completed. You set the pace; nothing expires because a term ended.

ILLUSTRATIVE VIEW OF SHIPPED FEATURES · DEMO DATA

Reasoning you can see

Watch the trace form and the tools he reaches for — then disagree with a step.

Grounded in your material

Every claim names the lesson it came from, so you can open it and check.

Built around your intent

Career-focused or exploratory, weighted by you, shapes what gets generated.

Your pace, your schedule

No cohort, no term dates. Resume on any device exactly where you stopped.
