ArthurAI™ School Learning Edition SLE

K-12 DISTRICTS

Help in every lesson, *approved by the teacher* first.

ArthurAI SLE personalises warm-ups, tutoring and first-pass grading for every student — every claim cited to a textbook page or standard, every artifact reviewed by the teacher before a student sees it.

THE ARTHUR CONSOLE · REAL SHIPPED UI, DEMO DATA

The teacher is the editor

Lesson plans, grades and feedback wait for teacher review, with calibrated confidence on each.

Anchored to your sources

Every claim cites a textbook page, curriculum reference or standard. No off-syllabus chat.

Differentiation, less paperwork

IEP-aware tutoring that surfaces the evidence trail you already keep — no parallel record.

Sold to the district

No consumer upsell, no parent paywall, no student-data monetisation.
