

THE DAWN DIRECTIVE™ · THE FLAGSHIP PROGRAM

18 courses. 360 hours. The AI fluency credential the 2030 workforce needs.

Six tracks, from literacy to future-skills. Delivered through ArthurAI™ VLE. Certified by CIAI.

The Dawn Directive™ is the foundational AI fluency program for the global workforce — designed by Eve, delivered through ArthurAI VLE, certified by CIAI. Eighteen courses, 360 hours, ninety modules. Approximately nine full-time work weeks. The credential procurement teams accept; the curriculum employers ask for.

01

Track 1 — Literacy

Understanding the Machine. AI Foundations, Ethics & AI, The Language of AI. The cognitive foundation for everyone entering the AI economy.

02

Track 2 — Fluency

Speaking the Language of AI. Prompt Engineering 101, Orchestrating AI Workflows, Comparing the Giants. Operational skills, immediately applicable.

03

Track 3 — Applications

Designing with Intelligence. Prototyping Without Code, Agents in Action, Design Thinking With AI. Hands-on building from day one.

04

Track 4 — Ethics

The Intelligence Contract. AI & Society, Designing Ethical AI Systems, AGI Futures & Moral Imagination. The governance framework for responsible use.

05

Track 5 — Educators

The AI-Ready Classroom. Teaching With AI, Grading & Feedback Ethics, The AI-Enhanced Instructional Designer. For teachers and faculty.

06

Track 6 — Future-Skills

Work in the Age of AGI. Surviving the Shift, Freelancing With AI, Human 2.0 Meta-Skills. Career future-proofing for the AGI era.

18

COUNCIL

50

CO-BRANDED COURSES ACROSS
IUCEA'S 170+ UNIVERSITIES

ON THE ARCHITECTURE

Delivered through ArthurAI™ VLE — the same Vocational Learning Edition that powers LaGrange's workforce-development pillar and the Pakistan Engineering Council's national CPD framework. Adaptive to each learner's pace, role, and industry. Curriculum authored by Eve.

ON TRUST + COMPLIANCE

Aligned to NAVTTC (Pakistan), EQF (EU), CTE Perkins V (US), DOL TEN 07-25 (US AI Literacy Framework). Vendor-agnostic curriculum — covers GPT, Claude, Gemini, and the broader landscape. The credential is what makes ArthurAI VLE bid-eligible in workforce RFPs.
